FAQs

1. How to form a student team?
2. How many authority letters are needed?
3. How to register a team?
4. How to apply for a problem?
5. Submitted the idea. What next?

How to form a student team?

- 6 students per team is **MANDATORY**
- No restriction on number of teams/ submissions from every college!
- Teams with more female members will be given preference during final shortlisting if there is a tie!
- One team can submit multiple ideas against various problem statements
- All team members should be from same college and can be from different engineering backgrounds.
- **No faculty members in teams**
- Most of the members MUST be well versed in programming skills.

How many authority letters are needed?

1 per team

Colleges must issue an Authority letter to each team!

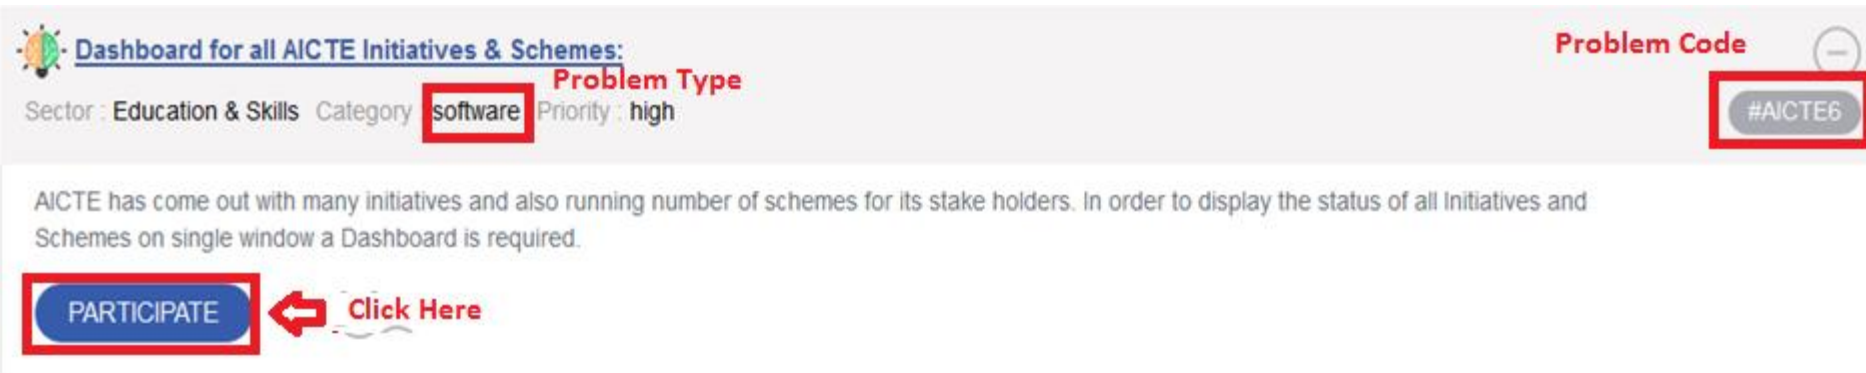

- The Authority letter must be on their letterhead
- It must bear the college seal/ stamp and should be in the prescribed format.
- It must state name of the team and team members
- Format can be downloaded from here: https://innovate.mygov.in/wp-content/uploads/2017/10/mygov1_1509348236.pdf

How to register a team?

Only **Team Leader** has to register

How to apply for a problem?

Dashboard for all AICTE Initiatives & Schemes:

Sector : Education & Skills Category **software** **Problem Type** Priority : high

Problem Code **#AICTE6**

AICTE has come out with many initiatives and also running number of schemes for its stake holders. In order to display the status of all Initiatives and Schemes on single window a Dashboard is required.

PARTICIPATE [Click Here](#)

Using the **Team Leader's** login credentials, fill up the registration form.
